Wendy and Ben

Here is the marked-up version of the Dewey permit that has the FR language that Britta discussed with Ben. I didn't have time to incorporate all of these changes in the Dewey permit yet, but wanted you both to see this language on the chance that it should be discussed and possibly incorporated into the current Class I and Class II permit templates.

The FR language starts on page 60 under the heading, **PART VIII. FINANCIAL RESPONSIBILITY**

Chuck,

Ben is out till 9/16. Linda and I are under the gun to get our permits out. Can you send me the language that Britta and Ben provided to see if we need incorporate?

Thanks, Wendy
